About Us

Master Brush Ltd is a professional painting company based in Uganda, specializing in both supply and application of premium paints. We serve both residential and commercial buildings, projects delivering customized services tailored to each client's unique needs.

Our commitment is rooted in professionalism, attention to detail, and delivering results that exceed expectations. We take pride in building lasting relationships with our clients through trust, quality workmanship, and reliability.

Establishment

Master Brush Ltd was established with the purpose of providing high-quality painting services at reasonable and competitive prices. The company was founded on a strong vision to deliver excellence while maintaining a customer-first approach.

Mission Statement

To transform residential and commercial spaces with exceptional quality, precision and care. With every brushstroke, we bring beauty, durability, and life to the buildings we serve, creating environments that inspire and endure.

Vision Statement

To become a beacon of artistic excellence, where passion for painting drives every brushstroke, we create.

Our Products & Services

We provide a wide range of premium paint products, including:

- Emulsion paints
- Textured paints
- Oil paints

We offer comprehensive painting and finishing services, including:
Premium Paint Supply

- **Interior Paints**

We use a multi-coat system to deliver rich colors, durability, and washable finishes that give your home a fresh and modern look.

Interior wall paints are coatings applied to indoor surfaces to enhance appearance, protect walls, and improve durability. They come in various finishes such as matte, Italian stucco, satin, silk and gloss, each offering different levels of shine and ease of cleaning. These paints are formulated to be low in odor and safe for indoor use, often with added features like stain resistance, washability, and mold protection. Choosing the right color and finish can influence the mood, lighting, and overall aesthetic of a space, making interior wall paint an essential element in both design and maintenance of homes and commercial interiors.

Types of interior paints

- Matt
- Silk
- Gloss
- Satin
- Italian stucco

- **Exterior Paints**

Our exterior solutions include weather-resistant coatings such as graffiante, ensuring long-lasting protection against harsh environmental conditions and humidity while enhancing appearance. They are durable, water-resistant, and often resist cracking, fading, and mold. Common types include weather guard textured paints, which offer flexibility and long-lasting protection. Proper surface preparation ensures the best results.

1. **Archi-Texture Graffiante (Stone Sizes)**

This is a scraped texture finish where the surface is dragged or combed to create linear patterns.

Stone sizes (1.0mm – 3.0mm) refer to the grain thickness inside the material.

2. **Archi-Texture Abetone**

This is a fine, uniform textured coating with a more even, matte look.

Has a consistent granular finish, not deeply grooved

Comes in colors like:

Zanzibar (earthy tone)

Granite (dark grey)

Smoke Grey (light neutral)

✓ Technique: Applied evenly with a trowel or roller

✓ Look: Soft, uniform, elegant

✓ Best for: Clean modern exteriors and commercial buildings

3. **Archi-Texture Marble-Tex**

This finish mimics natural stone or marble chips.

Contains coarser aggregates for a speckled appearance

Available in:

Black, Grey, White

✓ Technique: Applied thickly and left natural (no scraping)

✓ Look: Pebbled, decorative, durable

✓ Best for:

High-traffic areas

Exterior walls needing durability

4. **Graffiante with finish Coat Colors'**

This is the same graffiante texture, but finished with different colored top coats.

Colors range from:

Earth tones (Harvest Gold, Cinnamon, Sandstone)

Bright accents (Red, Blue, Orange)

Natural tones (Acacia, Brown Beige, Green)

✓ Purpose:

Adds color vibrancy while keeping texture

Enhances design flexibility

✓ Look:

Same scratched texture

Expert Application

- Commercial Building

- Residential House

Expert Application

- **Interior & Exterior**

- **Decorative Finishes**

We create unique decorative wall finishes that enhance the aesthetic appeal of spaces.

- Color selection

Epoxy Flooring

Epoxy flooring is one of the most long-lasting and versatile flooring systems

- Its durable
- Beautiful high gloss floor surface
- Long-term cost efficiency
- Enhanced safety

1. **Self-Leveling Epoxy**

   Creates a smooth, glossy, seamless surface
   Used on old, new, or cracked concrete floors
   Common in: homes, showrooms, offices, garages

2. **Epoxy Mortar Flooring**

   The strongest and most heavy-duty type
   Made with epoxy + sand/aggregate
   Used in: factories, warehouses, industrial plants

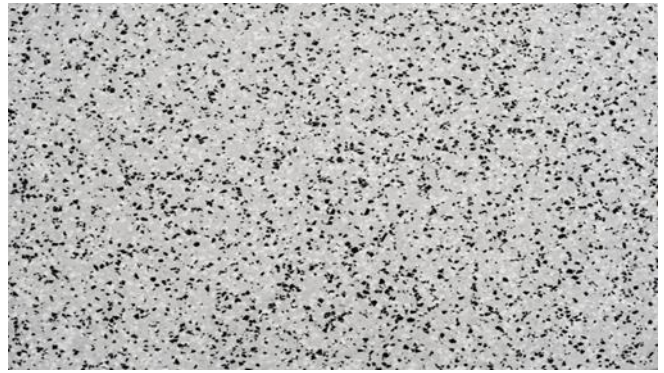

3. **Quartz-Filled Epoxy**
   Mixed with colored quartz grains
   Gives a decorative + slip-resistant finish
   Common in: hospitals, schools, kitchens, commercial spaces

4. **Epoxy Flake Flooring (Decorative)**
   Contains colored flakes/chips
   Creates a textured, stylish look
   Also improves anti-slip properties

How to Choose epoxy flooring types for your choice

Residential house / apartments → Self-leveling or flake
Commercial shops / offices → Quartz or decorative epoxy
Factories / warehouses → Mortar or self-dispersing
Hospitals / kitchens → Quartz (hygienic + anti-slip)

- Repairs and Renovations

Our team conducts a thorough analysis of surface issues, identifies root causes, and provides effective repair and renovation solutions before painting.

- Color Matching
- Bulk & Retail

Our Process

We follow a structured approach to ensure quality and client satisfaction:

Implementation + Trust = Client Satisfaction

1. Initial Consultation – Understanding client needs and expectations
2. Service Proposal- Site assessment & professional evaluation
3. Project Execution – Professional & Efficient Delivery
4. Quality Assurance & client Feedback
5. Project Handover & After-service support– Annual check-ins to maintain and refresh painted surfaces

Quality Commitment

At Master Brush Ltd, quality is our priority. We do not compromise on standards and do not tolerate mediocre work. Our team ensures:

- Thorough surface preparation using a 4-stage process
- Long-lasting finishes (4-5+ years with minimal maintenance)
- Strict quality checks on every project
- Use of trained and experienced professionals

Our Team

Our team is managed and guided by **Christine Kirabo**, who brings extensive experience in the painting industry. Under her leadership, the company has achieved strong client satisfaction and consistent growth.

We have a dedicated team of trained professionals and a quality testing team that ensures every project meets our high standards.

Our Work

We have successfully handled:
Residential homes
Commercial buildings
Renovation projects
Decorative walls and specialized coating projects
